I liked peeling the carrots because the new grater was pink. I liked whisking the eggs. I thought I wouldn't like the slice because I hate cooked tomato but it was the best food ever.

Marliah

I liked mixing all the stuff together because it was fun, but it was hard and it worked my muscles. Its fun cooking at school. Usually I don't like the slice, but at school I did. Emily

I liked cutting the tomatoes because I got to use the new knife. I hadn't cut a tomato before. The banana bread was delicious. Charlie

When I was cutting the onions it made me cry. Mrs Rietmann started to cry too. Our class was the first in the kitchen.

Charlotte

Mixing was really fun because I wanted to challenge myself. The zucchini slice was yum. I hadn't tried it before. Harlan.

**Working Bee:** School council will be having a working bee at school on Sunday July 6th (last Sunday of school holidays) to do some well-overdue maintenance on our kids' playground. If you can help at anytime between 12.30 and 4.30pm we would really appreciate it.

**Thankyou:** Thanks to all those who have volunteered their time to help make our Bunnings BBQ a success tomorrow. Hopefully the weather stays pleasant and we make a decent amount of money for the school. If you are in Wodonga tomorrow make sure you come by and grab a snag to support the school. Who doesn't love a Bunnings BBQ?

**Public Speaking:** Last Friday all 3-6 students presented their public speaking competition speeches. It was pleasing to see the effort students went to when writing their speeches at home. They battled their nerves to speak confidently and clearly in front of the whole school. We have selected Edward, Annika, Darcy and Matilda to represent the school at the Lions Club competition in early August.

**Youth Ambassador:** All Year 5 students have the opportunity to be selected as the Youth Ambassador for 2019. They will take home a note today explaining what the role involves and they will need to write a letter to staff over the break explaining why they feel they should be selected to undertake this leadership opportunity. Staff will choose our Ambassador during Week 1 of Term 3.

**Uniforms:** Our uniforms are now in. Beleza will be closed the first week of the holidays, so if you are needing uniforms I suggest going in during the second week of the holidays. Don't forget though that we still have quite a few new items of uniform here at school, so please check with us first so that we can move this stock. We have decided to add a soft shell jacket to our uniform, and this will be available at Beleza at a cost of \$68.

**Term 3:** Next term will be a busy term. During Week 1, the school will be completing a range of activities as part of NAIDOC week, despite this special week falling in the second week of our holidays.

Friday of Week 1 is scheduled to be the Winter Sports carnival (weather dependent) for Year 3-6 students. Permission notes will go home on the first day back next term. The back up day for this is Monday 22nd July. The students are competing in Football and Volleyball.

Next terms major events will be the disco on Friday 9th August, 2 days of skiing for the 5/6 students, Book Week celebrations, the Wodonga Arts Festival performance, School Photos and an African drumming incursion.

See you all in two weeks time. Enjoy the holidays.
